Sonja,

I hope you got my text message about the case being continued. New trial date is 4/6. Does that date work for you?

Thanks again. Hope all is well.

Joe

There are about 4 cases ahead of [REDACTED] on the list, and I am unsure of their status. The other thing is the Judge who is scheduled in court likes to have a chamber conference on every case before we start going for the trial. So I hate to have you sit around until 11:30am before we either begin or I tell you another case is going. I'll give you a call today, either way, to let you know what is happening.

Thank you.

Joe

Hi Joe-

On call is fine, though if this is the only case scheduled for trial and you think it will be a go, it would not be a problem for me to be there at 9. I should be able to make it to Pittsfield in 2 hours. It would be helpful, though, to know as soon as possible if you need me as it can sometimes take 15min for me to get off the UMass campus if classes have just ended and everybody is walking about (crosswalks mean nothing to some of the students here). Please give me a call when you know what is going on with the case. Thanks.

Hi Sonja,

I have inherited this case from Jeff. Right now it is still scheduled for trial. Unfortunately no stipulations or plea. No need for you to be there right at 8:30 though since Court doesn't start until 9am. If you would rather be on call, that is fine also. If you could be here within two hours of me calling you, that would be great.

Sorry I did not get back to you sooner. Thank you for all your work on this. If you want to speak to me over the weekend, feel free to call my cell [REDACTED]. I hope you have a great weekend.

Joe

I'm curious if there have been any changes in the [REDACTED] case scheduled for trial on January 31, 2011 that affect me (plea, stipulation, continuance, etc.)? If not, do you need me there at 8:30? Or is there another time that would be better? Thanks.

Hi Sonja,
I am the ADA assigned to [REDACTED] for trial. The correct date is January 31. I apologize for the confusion. Are you available on this date?

Thank you very much.

Hi Greg-

I received a summons yesterday for the [REDACTED] case which states that it is scheduled for trial on Jan. 31, 2011, not Jan. 13, 2011. Which is it? Also, I realize that you may not be the ADA still assigned to this case (I don't recognize the initials on the summons), but if you know who I should be contacting from now on about this case I would appreciate the info. Thanks.
